Staying Safe and Healthy

We want to thank all of the parents who've worked with us this year to keep germs at bay in our schools as well as our outstanding school nurses who have been on the front lines working with families.

Superintendent Randy Taylor

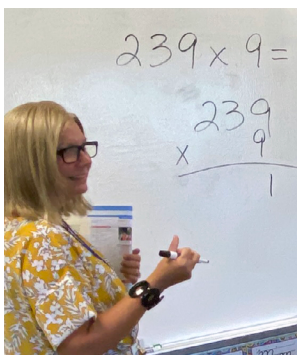

The new guidelines from the Indiana State Department of Health, including the Daily COVID-19 screenings and guidance for school nurses, require us to be vigilant in having students who exhibit

Enhancing Online Learning

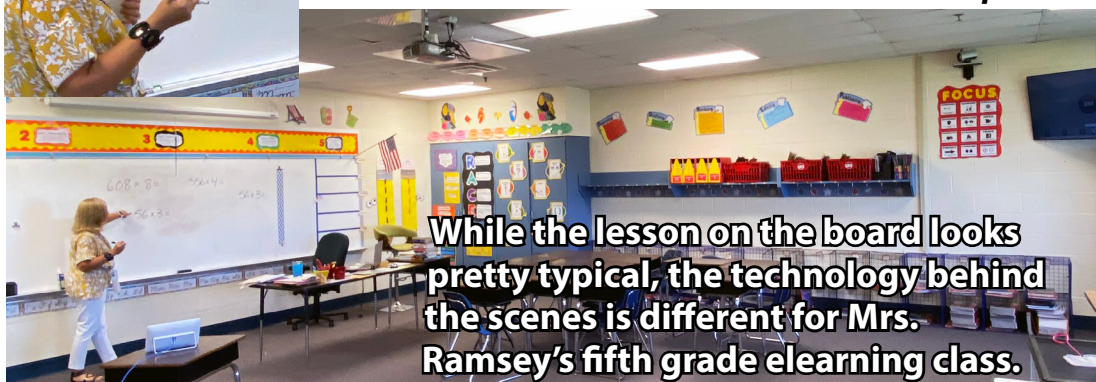

Mooresville's eLearning students, as well as students who are virtual due to school absence, are benefiting from many new technology tools, including camera and audio systems, software programs and more. As these technologies expand and are utilized more often, the district has determined the need to provide more teacher training.

Mooresville Schools will hold an eLearning day (no in-class school) for all MHS and PHMS students on Wednesday, Sept. 2. This day will allow teachers to receive training as they are utilizing new technologies to

provide remote instruction to students. Another eLearning day (no in-class school) and teacher training day for all grade levels will be held Wednesday, Sept. 30. This will allow all staff to expand their use of virtual technology and further

Continued on p. 4

While the lesson on the board looks pretty typical, the technology behind the scenes is different for Mrs. Ramsey's fifth grade elearning class.

Play On! New Guidelines for Athletics

MHS and PHMS athletic seasons are underway, but look a little different this year as Mooresville athletic programs follow IHSAA and Governor Holcomb's guidance on mask wearing, crowd sizes and spacing.

For each sport, limited spectator seating is available. There will be no season passes available this year, and all MHS football ticket sales will be online only. For events which usually sell out, ticket sales will go first to athletes' parents, then students, and then the general public. Other changes for this season include that there will be no tailgating at football games. Fans are also asked to social distance and wear masks indoors and out. Away event guidelines are determined by the host school. Watch for event guidance and updates on the [MHS Athletics Website](#) as well as the [@MHSBeMoore](#) and [@PHMSAthletics](#) Twitter feeds as they become available.

To help make up for fewer fans in stands, Pioneer TV will broadcast all home varsity football games and select volleyball and soccer home events live. Pioneer TV also has on demand content on the website and the events can be found on the IHSAA TV app, Roku, Amazon Fire, and Apple TV. Several upcoming events are already posted on the [Pioneer TV website](#).

Staying Safe and Healthy

Continued from p. 1

illness sent home right away.

We know it is a burden on families put in the position of having to keep a student who exhibits COVID-19 symptoms from school for a lengthy time. It's challenging to keep a household of siblings home and learning for a quarantine period. It's difficult on teachers to accommodate students who are temporarily virtual students while maintaining in-person classroom activities. It's tough on school nurses to see every child with a potential COVID-19 symptom.

What we know most is that we'll do everything we can to keep our doors open, and not have our staff, families, and community in the same position we were last March. While we cannot control everything, we will continue to be vigilant with those things we can control, including cleaning, distancing, masking, air filtration, and health screenings.

We are thankful for our community, families, staff and students. We know it's important to keep up our protocols every day and our families are an important part of that. Please continue to follow the Indiana State Department of Health guidelines for screening students before they come to school (p. 5). Families should also be familiar with the [Return to Learn](#) documents on our website.

Our goal is to keep our schools open as safely as possible. We appreciate everyone coming together to make that happen.

DAILY HEALTH ASSESSMENT Mooreville Families - Please be sure to assess student and staff member health each day before attending school.

COVID-19 Screening for Parents

Every morning before you send your child to school, please check the following:

1 Your student does NOT have a fever greater than 100.4 degrees OR lower if your child is not feeling well.

Other signs of illness such as:

FEVER (100.4 OR HIGHER)

SORE THROAT

COUGH (with or without phlegm)

DIARRHEA, VOMITING OR ABDOMINAL PAIN

HEADACHE (with or without fever, muscle aches or pain)

NEW LOSS OF TASTE OR SMELL

NAUSEA OR BODY ACHES OR FATIGUE

CONGESTION OR RUNNY NOSE

SHORTNESS OF BREATH OR DIFFICULTY BREATHING

2 Were you in close contact (within 6 feet for more than 15 minutes) with anyone confirmed with COVID-19 within the last two weeks?

3 If the answer is YES to any of the questions, DO NOT send your student to school. Instead, begin isolation of your child and contact your healthcare provider. Strongly consider COVID-19 testing.

4 If you have trouble breathing, chest pain, new confusion, inability to wake or stay awake or bluish lips or face, **CALL 911!**

School Telephone Numbers	In addition to the above, do not attend school if:
MHS 317-831-9203	- You are awaiting COVID-19 test results.
PHMS 317-831-9208	- Any member of the household has tested positive or is awaiting test results due to exposure/symptoms.
Neil Armstrong 317-831-9210	- Any member of the household is home from work or school with symptoms.
Newby 317-831-9212	- Any member of the household is home from work or school with symptoms.
North Madison 317-831-9214	- If a person is at home for any of the above reasons, the person should stay at home until Indiana State Department of Health Return to School guidance is met.
Northwood 317-831-9216	
Waverly 317-831-9218	

Please alert the office if a child is absent due to COVID-related reasons for attendance coding purposes.

News Briefs

Student Attendance Changes for 2020-21 - The Indiana Department of Education (IDOE) has created new attendance codes to help students whose attendance is affected by COVID-19. If a student is absent due to being quarantined or having an illness, the student may get school work virtually and will not be counted as absent from learning after completing daily coursework. If a student is eLearning for nine weeks or longer, the student's attendance will be tracked through daily or in-class logins. The IDOE requires that all eLearning and in-class students are in attendance every school day. Parents need to make sure that online students log in each day, and if they cannot due to being sick then they need to report the absence to the school.

Community Information - Local nonprofits may share fliers for upcoming events and activities pertaining to our community and activities for students on our [Community Information Webpage](#).

Current fliers and information include:

- [FlagTown 5K virtual race](#) (8/22)
- [Soar into Girl Scouts Aug. 25 Event](#)
- [Mooresville Ladies Junior Basketball Registration](#) (due 9/3)
- [Mooresville Junior Basketball Registration](#) (due 11/6)
- [Mooresville Junior Basketball Cheer Registration](#) (due 11/3)
- [League of Miracles Fall Season Registration](#) (season begins 9/12)
