Unified sports is a partnership between Special Olympics and the Indiana High School Athletic Association students with and without special needs for athletic competitions. Only 12 schools across Indiana received the honor.

This year's queen and princess will be crowned during a televised Winter Homecoming pep session Friday afternoon. The pep session will also

janitorial, etc., who put forth the extra effort to keep our schools open so our children could normalize as much as possible during these times. You are truly Rock Stars!" was the beginning of the post, which received more than 350 likes, loves, and caring reactions in less than a day.

Comments from others including "We are so thankful for all of the amazing staff!" and "We have an awesome school system" are wonderful to see and to share with our staff members who've put in so much effort to layer safety protocols onto their existing duties.

We thank the original poster, Linda, and all of those who took time out to share their positive messages. These will help all of our staff members keep going strong through the rest of the 2020-2021 school year!
