Out-of-District Enrollment Now Open

Families who live outside Brown, Madison and Harrison townships but are interested in enrolling their students at Mooreville Schools may enroll online now.

The out-of-district enrollment process is open through May 27. After that time, buildings or grade levels which are full will close to out-of-district enrollments.

AgriScience Advancements

PHMS agriscience teacher Mr. Jeff Voris recently spoke to the Mooreville Redevelopment Commission about advancements to the PHMS and MHS agriscience classes.

Last year the commission provided grant funding for the agriculture program. More than 260 students take part in ag programs and FFA, with lesson topics including biodegradable plastics, plant genetics, conservation, creating natural fabrics, welding, animal health, and more.

Photos: (above) Mr. Voris presents the commissioners with tomato plants grown from seeds by students. (above right) Mr. Voris shows students the tilapia growing in the aquaponics tank.

Volleyball Camp: July 18–21

Learn more on the MHS Athletics website with [links to Camp Fliers](#).

COVID Test Kits Available

All Mooresville schools have received a supply of COVID-19 home test kits (each kit is a 4-pack of testing supplies) from the Indiana Department of Health (IDOH). These are available free of charge, one per household. For families who would like test kits, a parent/guardian will need to come pick up the kit. They will not be sent home with students.

The tests are marked to expire in July or August 2022, but that date will likely be extended. Please do not discard the tests based on stated expiration date before checking for expiration extension. Please check the IDOH website under Back to School Resources to determine if the expiration date has been extended before discarding based on the date on the box.

Parents and Guardians

You can take advantage of our Text Messaging Service

Our school utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more.

You can participate in this free service* just by sending a text message of "Y" or "Yes" to our school's short code number, 67587.

You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

SchoolMessenger is compliant with the Student Privacy Pledge™, so you can rest assured that your information is safe and will never be given or sold to anyone.

Opt-In from your mobile phone now!

Just send "Y" or "Yes" to 67587

News Briefs

Haynes Honored: Mooresville Schools' Communications Director Susan Haynes was recognized at Tuesday's school board meeting for recently being named as "Mooresvillian of the Year" by the Mooresville Chamber of Commerce. Haynes also serves as the Executive Director of Churches in Mission of Morgan County.

Bradshaw Honored: MHS Building Trades teacher Kevin Bradshaw was recently honored for his work beyond Mooresville Schools. Bradshaw received the 2022 Indiana Basketball Coaches Association's Point Guard College/ Indiana Transformational Coach Award for his work coaching the Eminence basketball team for the 2021-22 season.

Internet Service Survey: The Morgan County Redevelopment Commission and the Morgan County Commissioners are seeking public input on broadband service throughout the county. Please note that to ensure the accuracy of the submitted data, it is imperative to complete the survey ([survey link here](#)) from your home or business located in Morgan County. The survey is open through Friday, April 29.

Community Information & Fliers: Local nonprofit organizations with activities for school-age students may share their fliers through Mooresville Schools. Current fliers include:

- [Mooresville Tox Away Day](#)
- [Boy Scout Troop 231 Community Movie Night](#)
