## Partnerships Promote Safety

Emergency responders from several local agencies took part in an emergency drill at MHS/PHMS on eLearning Day April 13 to practice what they would do in the event of a crisis at the school. The event gave responders as well as school personnel a chance to practice lockdown, evacuation, and reunification procedures.

## Saturday Event Helps Those with Special Needs

The MHS Key Club will host a carnival and craft fair Saturday from 10a.m. to 2p.m. at MHS to provide resources for families whose loved ones have special needs. The event will include carnival activities for those of all abilities, more than 20 craft booths, and resource booths for families attending. [Learn more here.](#)

## News Briefs

**COVID Test Kits Available:** All Mooresville schools have received a supply of COVID-19 home test kits (each kit is a 4-pack of testing supplies) from the Indiana Department of Health (IDOH). These are available free of charge, one per household. Families who would like test kits, a parent/guardian will need to come pick up the kit. They will not be sent home with students. The tests are marked to expire in July or August 2022, but that date will likely be extended. Please check the IDOH website under Back to School Resources to determine if the expiration date has been extended before discarding.

**Internet Service Survey:** The Morgan County Redevelopment Commission and the Morgan County Commissioners are seeking public input on broadband service throughout the county. Please note that to ensure the accuracy of the submitted data, it is imperative to complete the survey ([survey link here](#)) from your home or business located in Morgan County. The survey is open through Friday, April 29.

**Community Information & Fliers:** Local nonprofit organizations with activities for school-age students may share their fliers through Mooresville Schools. Current fliers include:
