IDOH COVID Clinic Aug. 20

The Indiana Department of Health (IDOH) will host a COVID-19 vaccination clinic on Friday, Aug. 20, in the parking lot outside MHS.

The clinic will take place in the east parking lot (next to MHS, near Northwood Elementary) beginning at 2:30p.m. and running through the evening. Walk-ins are welcome or individuals may sign up through www.ourshot.in.gov

The IDOH team will have both the Pfizer (approved for ages 12 and older) and Johnson &

Pioneers at Lucas Oil Stadium

The Pioneer football team will take on the Lebanon Tigers on Friday, Aug. 20, at Lucas Oil Stadium.

Coach Gillin's team begins the season ranked third in Class 4A in the Associated Press high school football poll.

The Horseshoe Classic game begins at 6:00p.m. After the Mooresville game, Ben Davis will take on Brownsburg at 8:30p.m. [Click here for ticket information.](#)

The Pioneers gather on their home field before their June scrimmage against Tri West.

Football practice Monday also ended with a sweet surprise for one family. Cassie Swinney and her son Levi were surprised after practice when son Michael dropped in after six months of Air Force training. The team staff helped arranged the surprise reunion. [See the video.](#)

Road Closure Reminders

Changing construction patterns on High Street causes changes in bus route times and traffic patterns during student pickup and dropoff. Road closures may affect routes far away from High Street as traffic flows onto other streets through town.

Monroe Street, Lockerbie Street, and the section of State Road 42 including White Lick Creek bridge are opened to local traffic and bus traffic. The official state detour will remain in place. SR42 is completely closed from Carter St. to the East side of Indiana St. According to INDOT, the Indiana St. intersection

will be closed for approximately 30 days and the remaining portion of SR42 from Carter St. to Indiana St. will hopefully be completed in late September. Additional information is available on the [INDOT West Central Facebook Page](#).

Here's To Pioneers!

Back-to-Vaccination Deadline

Students entering kindergarten, 6th grade and 12th grade have additional vaccinations needed. Families are encouraged to contact their family doctor or their school Student Health Services as soon as possible to see what vaccinations are needed. Beginning the process of immunizations is important since any child who needs their Hepatitis A vaccinations will need to have two doses spaced six months apart. Mooresville's deadline for vaccinations is on September 1, 2021.

Indiana Code states a document of immunizations must be provided to the school upon enrollment which shows the child has received at least the minimum number of doses for his/her age.

News Briefs

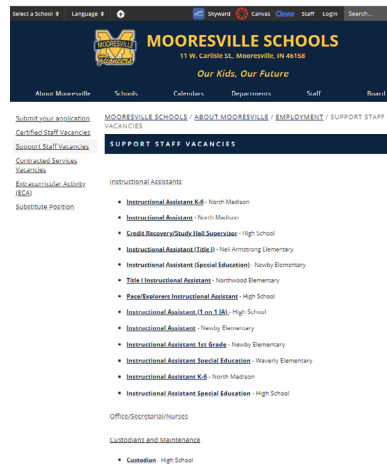

Join the Mooresville Team!: There are several support staff and substitute job openings at Mooresville Schools, including bus drivers ([see our video!](#)), classroom aides, custodians, and cafeteria workers. In addition to having a school schedule to match your children or grandchildren, employee benefits include access to Mooresville Schools Working Well Clinic for all employees (certified and non-certified, regardless of insurance status). Before and after school care is provided free of charge for elementary school-age dependants of full-time employees as well as part-time employees who are working during before and after school care hours. Visit our

[Employment Webpage](#) to learn more!

Check Out Our New Website:

MooresvilleSchools.org has a new look and is more accessible than ever for various devices. Be sure to visit our website for any school information you may need.

Calendar Updates: Be sure to mark your calendar for four eLearning days (students are not in school but will have virtual assignments) during 2021-22 school year. eLearning days include: Sept. 15, Nov.

17, Feb. 9, and April 13.

School Protocols for COVID-19:

Mooresville Schools will follow all guidance from the Morgan County Health Department for the health and safety of school students, staff, and visitors. Find information about Mooresville's health and safety protocols related to COVID-19 on p. 4. Find additional information and resources on our [COVID-19 Information webpage](#).

COVID-19 Clinic at MHS

Continued on p. 3

Johnson (approved for ages 18 and older, one dose) vaccinations available. Anyone ages 12-17 must have a parent/guardian present to receive a vaccination or be pre-registered through www.ourshot.in.gov or by calling 2-1-1.

IDOH will hold an additional clinic at MHS on Friday, Sept. 3.

Coronavirus COVID-19 Protocols 2021-2022 School Year

Please Note: These protocols reflect current guidance from federal, state and local health officials. Should guidance change, school protocols will be updated to reflect current information. 8/12/21

The safety and well-being of our students and staff are of utmost importance. We appreciate everyone's help with the following guidelines for our return to school.

- **Masks are recommended** for anyone who has not been vaccinated. Masks are not required; however, we respect the right of anyone who chooses to wear a mask at school.
- **Masks are required on school buses** for the duration of CDC mask guidance for public transportation. Masks will be provided to those who do not have them.
- **Water bottling filling stations** will remain open and water fountains will remain closed. Students will be asked to use water bottles at school.
- **Close Contact and Quarantine** guidance from IDOH will be followed in accordance with [Indiana Code 16-41-2-1](#). Due to social distancing requirements for early returns, close contact quarantines will be 14 days.
- **Assigned seating and increased spacing** between students will remain in classrooms, the cafeteria, and other group settings to fulfill contact tracing obligations.
- **Increased cleaning and disinfection** in all areas will remain in place. School air filtration systems meet or exceed all requirements for fresh air circulation.
- **If school member or their household member is testing,** unvaccinated students or staff should stay home until test results are received
- **Unvaccinated students or staff** who are close contacts with someone who has COVID-19 must quarantine per health department guidance. No student or staff member will be asked about vaccination status except as part of a close contact situation.
- **Home COVID-19 test kits and Rapid Tests** will not qualify as an alternate diagnosis or for an early return to school. A PCR test must be done to return to school if there are symptoms.
- **Extracurricular activities** will resume with the same protocols as school attendance. IHSAA and ISSMA guidance will be followed.

Best Practices

The 2020-21 school year taught us there are many important practices to help keep Pioneers healthy.

Proper hand washing

is the best way to limit the spread of COVID-19. Students will have many opportunities each day to wash their hands and use sanitizer.

Monitoring student health

before school each day is crucial. Students with a fever or [signs of illness](#) (including but not limited to: vomiting, diarrhea, uncontrolled cough, sore throat, and loss of taste or smell) should not come to school. Symptomatic students need a negative PCR test or alternate diagnosis to return to school.

Vaccinations

are recommended by the CDC for anyone [age 12 or older](#).

School health clinics

will have separate areas for students with symptoms.

When in doubt,

stay home and contact your school's student health services or the Morgan County Health Department (765-342-6621) for guidance.

Contact Tracing will still be in place in accordance with Indiana Department of Health guidelines.

Close contacts include anyone within 6' of the positive case for 15 minutes or more over the course of a day. There is a 48-hour "lookback" for close contacts prior to symptom onset/positive test.

Close contacts who do not show proof of vaccination will be required to quarantine. Vaccinated close contacts who are asymptomatic do not need to quarantine.
