

Celebrating TWOSday 2-22-22 at North Madison

Feb. 24, 2022

Mooresville Schools

Kindergarten Roundup

Plans are underway to welcome the MHS Class of 2035 to Mooresville Schools.

The district Kindergarten Fair will return on Thursday, March 31, from 5-7p.m. at Neil Armstrong Elementary. This event allows all kindergarten families to learn about a variety of school functions, from food services and transportation to health services and Skyward student information. There will be many hands-on activities for the incoming kindergarten students as well.

Beginning that night, families will also sign up for individual or small-group meetings with their home school kindergarten staff. Those meetings will be on Wednesday, April 13 (an eLearning Day for Mooresville Schools).

Families who would like to get a head start before the kindergarten fair can visit our website to get a [Kindergarten Preview Booklet](#) with activities and information.

A Historic Date

The weather didn't cooperate for a trip downtown, but to commemorate the photo of MHS students from exactly 100 years ago, several seniors took a photo at 2:22 on 2-22-22 to pay tribute to the Pioneers of the past! See the full story of the 1922 photo on the [Mooresville Public Library website](#).
