Journalists Honored

The MHS yearbook and newspaper staffs have been honored by the Indiana High School Press Association (IHSPA).

Mrs. Ada Clark was named Indiana's Adviser of the Year award through IHSPA. Clark was nominated by her students and ultimately won by the compelling letters submitted by her students.

MHS student publications also entered the Harvey Awards, a state-wide contest for high school journalists, and brought home the following prizes:

- First Place: Maranda Flannery, infographics
- First Place: Lainie Woodward, Staysha Anderson, Jada Schoolcraft, yearbook album pages
- Third Place: Arionna Moore, Column Writing
- Third Place: Mackenzie Becker, Organizations Coverage
- Third Place: Kimmy Turley and Jada Schoolcraft, Sports Coverage
- Honorable Mention: Jaiden West, Column Writing

SAT Test Day for Juniors To Be eLearning for Grades 9, 10 & 12

Indiana will use the national SAT (Scholastic Assessment Test) as the new graduation qualifying exam for students beginning with the Class of 2023.

All students, beginning with this year's juniors, will be required to take the test, which measures mathematics, reading, and writing standards. Juniors will all take the SAT during the school day on Thursday, March 3. Their scores will be used to fulfill some of their graduation requirements.

To create additional testing spaces at MHS, students in grades 9, 10, and 12 will have an eLearning Day on March 3 to complete work

MHS families will receive additional details about their eLearning Day in a follow-up email.

Photographers Honored

Three MHS students have been honored by Scholastic Art and Writing for their outstanding photography (shown above).

Senior Allie Tudor and junior Jacob Taylor each received a Silver Key for their work, while senior Sierra Morgan received an Honorable Mention.

Gold and Silver Key winners are exhibited online at www.nchsvisualart.com/gallery-5-1.

Name Our Mascot!

A Mooresville elementary student can make history by naming MHS's new official Mooresville Pioneer Mascot! The winner and his/her family will win a set of tickets to one of next year's home football games, some Mooresville prizes, and maybe a visit from the mascot! Elementary students may submit one entry per student (include name, teacher name, and school) to our [Mascot Naming Contest Form](#). The deadline to submit is Friday, Feb. 18.

Getting the Most from Skyward Family Access

With technology today, parents can find their child's attendance, grades, lunch account information and more with the touch of a button. It's even possible to update how school notifications are sent depending on the type of message (weather, general, emergency, etc.).

Families can access this information and personalize their experience through their child's Skyward Family Access account.

By clicking on the "Skylert" tab, parents can choose which types of messages (lunch balance, absent/tardy messages, delays and closures, etc.) are received by which person in the household. This way, families can add caregivers, grandparents, or even teen students to the school closure/delay calls without changing the status of who receives other types of messages.

To learn more Skyward tips and tricks, visit the [Family Access Toolkit](#), with online videos on various topics. For questions about Mooresville's system or individual access, email Skyward@MooresvilleSchools.org.

Semester 1 Report Cards

Semester 1 Report Cards are now available to view in Skyward. Please login to family access then click on the profiling tab then Semester 1 Report Card.

When logging in to view Report Cards please update your family information and emergency contacts. To ensure that you receive messages from the high school, please also update your email address.

Financial Aid/FAFSA Night January 11, 2016

Seniors and parents please plan to attend the Mooresville High School Guidance event. Financial Aid/FAFSA Night 2016 on January 11th @ 6pm in the High School auditorium.

We will be briefly going over the financial aid process, scholarships, grants, students loans, and then delve into the FAFSA. We'll go over creating an FSA ID, who and when you should be filling the FAFSA, common mistakes, as well as in 32 sites listed on the website and most sites will close by 4 p.m. Locations are listed at

Once logged in, click on the Skylert tab.

Skyward App vs. Desktop View

While many Skyward system functions are available in the app, others are more easily found through a desktop view. To access desktop view from the app, (1) click on the three white lines at the top right of your screen. A new menu bar will open (2) and allow you to choose the "account" option (head icon). After that, click the last menu item (3) "Go to Desktop View." Desktop View allows families to see required school forms as well as other important information.

Coronavirus COVID-19 Protocols 2021-2022 Second Semester

Please Note: These protocols reflect current guidance from federal, state and local health officials. Should guidance change, school protocols will be updated to reflect current information. 1/5/22

The safety and well-being of our students and staff are of utmost importance. We appreciate everyone's help with the following:

- **Masks are highly recommended** in all situations.
- **Masks are required:**
 - on school buses for the duration of mask guidance for public transportation
 - during days 6-10 of return to school after isolation/quarantine (days 1-10 for fully vaccinated close contacts). Masks will be provided to those who do not have them.
- **Close contact and quarantine** guidance will be followed in accordance with [Indiana Code 16-41-2-1](#). No one will be asked about vaccination status except as part of a close contact situation.
- **Assigned seating and increased spacing** between students will remain in classrooms, cafeteria, and other settings
- **Increased cleaning and disinfection** remain in place. School air filtration systems meet or exceed all requirements for fresh air circulation.
- **Home test kits** will not qualify as an alternate diagnosis or for an early return to school of a symptomatic person. A PCR or rapid test or alternate physician diagnosis is needed to return to school if there are symptoms.
- **Extracurricular (EC) activities** will follow MCHD, IHSA and ISSMA guidance.

Best Practices

Proper hand washing

is the best way to limit the spread of germs. Students have many opportunities each day to wash hands and use sanitizer.

Monitoring student health

each day is crucial. Students with [signs of illness](#) (including but not limited to: fever, vomiting, diarrhea, cough, sore throat, and loss of taste or smell) should not come to school. Symptomatic students need a negative PCR or rapid test or alternate diagnosis to return to school.

Vaccinations

are recommended by the CDC for anyone [age 5 or older](#).

When in doubt,

stay home and contact school health services or the Morgan County Health Department (765-342-6621) for guidance.

Positive Case Isolation & Contact Tracing Quarantine Guidance

Positive Test - Isolation: Anyone who tests positive must stay home days 1-5 (date of symptoms or asymptomatic test is day "0") and may return to school days 6-10 if masked at all times and asymptomatic or symptoms resolved (fever-free for 24+ hours without use of medication and other symptoms improving).

Close Contact Quarantine - Fully Vaccinated: may remain in school as long as asymptomatic wearing a mask for 10 days (last day of contact is day "0"). Test day 5 if possible. If symptoms develop, must stay home and follow isolation guidance. May continue EC activities but must be masked while not actively performing/playing.

Close Contact Quarantine - Partially Vaccinated or Unvaccinated: must stay home days 1-5, test day 5 if possible, and may return to school days 6-10 if masked at all times and asymptomatic. If symptoms develop, must stay home and follow isolation guidance.

Fully vaccinated: those who have been vaccinated & boosted; had the second dose of Pfizer or Moderna vaccine 2 weeks-6 months ago; or had J&J vaccine 2 weeks-2 months ago. Also anyone with documented positive case of COVID-19 within the past 90 days.

Partially vaccinated: those who have not been boosted but who had second dose of the Pfizer or Moderna vaccine more than 6 months ago or had the J&J vaccine more than 2 months ago.

Unvaccinated: those who have not had any vaccine; have not had the second dose of the Pfizer or Moderna vaccine more than 2 weeks ago; or have not had the J&J vaccine more than 2 weeks ago.

Close Contact: anyone within 6' of a positive case for 15 minutes or more over the course of a day. There is a 48-hour "lookback" for close contacts prior to symptom onset/positive test.
