Moving Forward

Randy Taylor
Superintendent

Every day since the fateful school closure on March 13, 2020, we have been

moving forward - forward in distance learning, forward in creative ways to reach out to students, forward in returning to the classroom, and forward in helping our students and families excel academically and beyond.

As we near the start of school, we're moving forward again. Each day, in

Continued on p. 2

Countdown to Starting School

In less than one week, students return to Mooreville Schools. We want to remind our families to check all of the information in this week's newsletters for back-to-school events, calendars, supply lists and more. School offices are open at this time. Please call during normal school hours with any questions which need to be answered before school starts.

Waving "bye" to parents on the way in to Neil Armstrong kindergarten camp

Complete Skyward Updates Today

The Skyward student information system is open for families to complete their back-to-school forms and update information. Please use your parent login (form updates cannot be made through student logins) to complete forms for Chrome-book use, verify address and other contact information, and more.

Use your [Skyward Login](#) screen to begin. A "forgot login/password" option is available and parents can enter their email for assistance. Families can also email Skyward@MoorevilleSchools.org for assistance.

Around Our Schools

Moving Forward This Fall

Continued from p. 1

each classroom, students will have those “lightbulb” moments where learning turns on. On athletic fields, students will achieve a personal best. On buses, in cafeterias, and throughout our buildings, students will make lasting friendships and perform small acts of kindness with big results. As a school staff, we get a front-row seat to these achievements every day and we’re thankful for that opportunity.

I’ve often said that every champion has a coach. This is not just a saying for athletics. When we see these achievements at school, as well as when we see a student stumble, that’s when we have the chance to “coach ‘em up” and keep our students moving forward.

We know this school year may have a few twists and turns along the way, but our efforts will focus on moving staff and students forward. We appreciate everything our families and communities have done to help keep the momentum going. We’re excited to see our students on Aug. 4!

Indiana 2021-2022 Required and Recommended School Immunizations

News Briefs

Back-to-School Vaccination Clinic Saturday:

Any child in need of back to school vaccinations (especially those in grades K, 6, and 12 who have additional requirements for this year), may sign up for the Franciscan Health will host a vaccination clinic at MHS (enter door 34) this Saturday, July 31, from 9am to noon for any child in need of required immunizations, including meningitis, tetanus, pertussis, and other childhood vaccines as needed by age. Please RSVP by calling 317-528-6374 so they can ensure enough vaccine is available for all ages. Families who would like for their child (ages 12 and older) to have a COVID-19 vaccination may schedule that as well.

Join the Mooresville Team!: There are several support staff and substitute job openings at Mooresville Schools, including bus drivers ([see our video!](#)), classroom aides, custodians, and cafeteria workers.

In addition to having a school schedule to match your children or grandchildren, employee benefits include access to Mooresville Schools Working Well Clinic for all employees (certified and non-certified, regardless of insurance status). Before and after school care is provided free of charge for elementary school-age dependants of full-time employees as well as part-time employees who are working during before and after school care hours. Visit our [Employment Webpage](#) to learn more!

Calendar Updates: Be sure to mark you calendar for four eLearning days (students are not in school but will have virtual assignments) during the 2021-22 school year. eLearning days include: Sept. 15, Nov. 17, Feb. 9, and April 13. Find the full school year calendar on p. 4.

COVID-19 Protocols: Mooresville Schools will follow all guidance from the Morgan County Health Department for the health and safety of school students, staff, and visitors. Find information about Mooresville’s health and safety protocols related to COVID-19 on p. 7. Find additional information and resources on our [COVID-19 Information webpage](#).

2021-22 Back to School Information

First Day of School: **Wednesday, Aug. 4**

Find school supply lists, calendars, and more at
www.MooresvilleSchools.org

HEALTH PROTOCOLS: Mooresville Schools will follow the guidance of the Morgan County Health Department (MCHD) as well as the Indiana Department of Health (IDOH) regarding COVID-19 protocols for the 2021-22 school year. All families will receive direct communication from our district regarding guidelines for Morgan County schools when they are available. Please note that the IDOH has stated contact tracing is required to continue at Indiana schools this year. Students who are fully vaccinated will not be required to quarantine after close contact as long as they do not develop symptoms. Learn more on the Back to School tab of the [IDOH Coronavirus Resources Webpage](#).

IMMUNIZATION REQUIREMENTS: All students entering kindergarten, 6th, and 12th grade are reminded that vaccination boosters are needed. Our vaccination deadline is September 1. Students may be excluded from school after that if they don't have proper documentation. The Franciscan St. Francis **Vaccination Clinic** will be at MHS on Sat., July 31, 9am to noon to assist with vaccinations – register at 317-528-6374 to ensure we have enough vaccine.

PARENT COMMUNICATIONS: Families who've updated their telephone numbers, email or other contact information are strongly encouraged to log into their child's account to update contact information in Skyward (Parent Access database will reopen on or before July 26). As we send out Back to School information, we want to be sure all families get the updates they need. Email Skyward@MooresvilleSchools.org with any questions.

TRANSPORTATION QUESTIONS: If you have questions regarding a bus route or bus arrival times or if you are new to a bus route, please contact our Transportation Department at 317-831-9242. Please note that mask wearing is mandated on public transportation, including school buses, per the CDC.

SCHOOL SUPPLIES: Elementary and PHMS lists are available at www.MooresvilleSchools.org. High school supplies will vary by classes taken. Mooresville Schools' families in need of assistance with school supplies should contact their school to get needed items or stop by during normal school hours the week of July 26. Those who would like to donate are encouraged to bring items or monetary donations to the Mooresville Schools Education Center in the weeks prior to the event. Items needed most include boxes of tissues, pencils, glue sticks, black dry erase markers, scissors, folders with prongs, colored pencils, and backpacks.

NEW ENROLLMENTS: You may begin pre-enrollment online at www.MooresvilleSchools.org and will need to bring (or upload online) a birth certificate, shot records, 2 proofs of residency, and a parent/guardian government-issued photo ID to the school to complete enrollment. Please call your child's school to set an enrollment appointment (all school offices fully re-open beginning July 26) so we may get classes assigned and have everything ready for the start of school. Middle and high school families will need to set a time to meet with a counselor and schedule classes.

MHS office open all summer weekday mornings. Education Center open summer weekdays 8am – 3pm. All school offices open during normal school hours beginning Monday, July 26. All offices closed the morning of Aug. 3 for staff meetings. Please call or visit with any questions.

Coronavirus COVID-19 Protocols 2021-2022 School Year

Please Note: These protocols reflect current guidance from federal, state and local health officials. Should guidance change, school protocols will be updated to reflect current information. 7/19/21

The safety and well-being of our students and staff are of utmost importance. We appreciate everyone's help with the following guidelines for our return to school.

- **Masks are recommended** for anyone who has not been vaccinated. Masks are not required; however, we respect the right of anyone who chooses to wear a mask at school.
- **Masks are required on school buses** for the duration of CDC mask guidance for public transportation. Masks will be provided to those who do not have them.
- **Water bottling filling stations** will remain open and water fountains will remain closed. Students will be asked to use water bottles at school.
- **Assigned seating and increased spacing** between students will remain in classrooms, the cafeteria, and other group settings to fulfill contact tracing obligations.
- **Increased cleaning and disinfection** in all areas will remain in place. School air filtration systems meet or exceed all requirements for fresh air circulation.
- **Unvaccinated students or staff** who are close contacts with someone who has COVID-19 must quarantine per health department guidance. No student or staff member will be asked about vaccination status except as part of a close contact situation.
- **Home COVID-19 test kits** will not qualify as an alternate diagnosis or for an early return to school.
- **Extracurricular activities** will resume with the same protocols as school attendance. IHSAA and ISSMA guidance will be followed.

Best Practices

The 2020-21 school year taught us there are many important practices to help keep Pioneers healthy.

Proper hand washing

is the best way to limit the spread of COVID-19. Students will have many opportunities each day to wash their hands and use sanitizer.

Monitoring student health

before school each day is crucial. Students with a fever or signs of illness (including but not limited to: vomiting, diarrhea, uncontrolled cough, sore throat, and loss of taste or smell) should not come to school.

Vaccinations

are recommended by the CDC for anyone age 12 or older.

School health clinics

will have separate areas for students with symptoms.

When in doubt,

stay home and contact your school's student health services or the Morgan County Health Department (765-342-6621) for guidance.

Contact Tracing will still be in place in accordance with Indiana Department of Health guidelines.

Close contacts include anyone within 6' of the positive case for 15 minutes or more over the course of a day. There is a 48-hour "lookback" for close contacts prior to symptom onset/positive test.

Close contacts who do not show proof of vaccination will be required to quarantine. Vaccinated close contacts who are asymptomatic do not need to quarantine.
