Preparing for Little Pioneers Preschool

Registration is open for the 2022-23 Little Pioneers Preschool program. The all-day program is designed to prepare students for kindergarten academics as well as instill a love of learning, through academically-focused and play-based activities. Preschool is open to children who have turned 4 before August 1 and who are potty-trained.

The Little Pioneers program currently takes place at Waverly Elementary School. If enough students enroll, a second preschool will also be held at Neil Armstrong. The sign-up period will be open through Friday, April 29, with students admitted on a first-come, first-served basis. Parents will be notified in early May if their child has been admitted or placed on the waiting list.

Learn more about the Little Pioneers program, costs, registration and more [on our website](#).

Students in the Little Pioneers program enjoyed Valentines Day with special picture Bingo, making shapes with cookie cutters and more.

News Briefs

Kindergarten Roundup : The district Kindergarten Fair will be Thursday, March 31, from 5:30-7p.m. at Neil Armstrong Elementary. All kindergarten families will earn about a variety of school functions. There will be many hands-on activities for the incoming kindergarten students as well. Families will also sign up for individual or small-group meetings with their home school kindergarten staff. Those meetings will be on Wednesday, April 13. Families who would like to get a head start before the kindergarten fair can visit our website to get a [Kindergarten Preview Booklet](#) with activities and information.

Second, Third Graders IREAD-3 Assessment: This year, Mooresville second graders will also participate in the IREAD-3 Assessment. Second graders who pass IREAD-3 will not need to retake the test as third graders. This early test will give families and teachers a chance to assess reading skills and plan lessons
