## Upcoming Closures Will Affect Buses

Two different road projects will create new traffic patterns that affect school bus routes in the Mooreville area.

Beginning April 4, the Indiana Department of Transportation will re-start the High Street/State Road

42 project in Mooreville. Traffic throughout Mooreville will be slowed during this construction project, which could affect times for all buses arriving at and leaving MHS/PHMS. Please be aware route times may change slightly, especially in the first few days of the closure as traffic adjusts.
