Winter Weather Reminders

Indiana weather can be unpredictable and families are advised to work out a “back-up plan” when school is delayed, an elearning day is announced, or schools have to close early due to weather.

State law requires that schools be in session for 180 days. When there is an unscheduled school closing, the school day must be made up. Mooresville students will have eLearning days if school buildings must close. Online assignments will be posted with teacher and technology help available that morning. Students will have up to five school days to complete work. Should more than three closure days take place in a row, days may be added to the school calendar.

School officials make decisions about school closings based on weather information and directly checking road conditions, as well as communicating with highway departments, police agencies, and neighboring school systems. School closings will be announced as early as possible, but it is not always feasible to predict if a closing or delay is needed the night before.

When it is necessary to close or delay school, a message will be sent via our Skylert system to

Calls will be made prior to 6:00 a.m. Local media are also contacted before 6:00 a.m., unless conditions are rapidly changing. You may also get information on our website and social media pages.

When school is delayed two hours:

1. MHS and PHMS classes begin at 9:50; Newby, Northwood, Neil Armstrong and North Madison at 10:45; and Waverly at 10:55. Bus pick-up times will be about two hours later than usual.
2. If school has a morning delay, elementary before school programs will open at regular hours. If school is closed or closes early, the program is not in session.
3. If conditions worsen during a delay, school may close.
4. Developmental Pre-School: morning session is from 10:30a.m. – 12:30p.m. and afternoon session from 1:30p.m. – 3:30p.m.
5. For MHS students who attend the Area 31 Career Center, if either Mooresville or Wayne Township schools are closed, they will not attend Area 31. If there is a 2-hour delay at either school, morning students do not attend Area 31 and afternoon students report at their regularly scheduled time.
