

2022-2023 SCHOOL MEALS

WHAT YOU NEED TO KNOW

QUESTION: ARE SCHOOL MEALS FREE FOR ALL STUDENTS FOR THE 2022-2023 SCHOOL YEAR?

ANSWER: No. Congress has not provided funding to the USDA for free meals for all students this school year. Meals will be full price for all students unless families apply for free or reduced meals and receive an email or letter from Mooresville Schools stating that they have been approved for the 2022-2023 school year. If you are not approved for free or reduced meals, students will need to have money in their lunch accounts beginning the first day of school.

QUESTION: HOW CAN I GET FREE OR REDUCED PRICED FOR MY STUDENTS?

ANSWER: If you have already received an email or letter from Mooresville Schools stating you are approved for free or reduced priced meals for the 2022-2023 school year, you do not need to do anything. Otherwise you must apply using the Free/Reduced Meals Application. A printed copy can be picked up at Mooresville Schools Education Center (11 W Carlisle St). Online applications will be available through Skyward Family Access on Monday, July 25th.

QUESTION: DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD?

ANSWER: No. All the students in the household go on one application, even if they attend different schools within the district.

QUESTION: ARE THERE ANY OTHER BENEFITS I MIGHT BE ELIGIBLE TO RECEIVE?

ANSWER: Yes. The free and reduced meal application also is your application for book fee assistance. Additional benefits may be available too. Fill out the "Sharing Information with Other School Programs" form to receive the most benefits possible.
